is granted authorisation according to LEATHER STANDARD by OEKO-TEX®
to use the LEATHER STANDARD by OEKO-TEX® mark, based on our test
report 21.0.86661

for the following articles:

Hot embossed and engraved labels produced from finished calf skin, tanned with vegetable and synthetic tanning agents and dyed using reactive, pigment and aniline dyestuffs (in colours off white, brown shades and black); exclusively produced from material certified according to LEATHER STANDARD by OEKO-TEX®.

The results of the inspection made according to LEATHER STANDARD by OEKO-TEX®, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the LEATHER STANDARD by OEKO-TEX® presently established for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, chromium(VI), nickel release, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the LEATHER STANDARD by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 20.HTR.39572 is valid until 31.12.2022
